===== The Petitioner by an application before the court was granted leave to issue petition from the Registry of the court. The notice of the Petition was served by courier on the Respondent. There is prove of delivery of the processes on the Respondent. However the Respondent has not filled any process before the court and there has also not been any representation of the Respondent before the court on behalf of the Respondent. The case of the Petitioner is that the parties married on 7th June 1986 at Life Gate Evangelistic Ministry Accra and the parties have lived in Accra, North Kaneshie and subsequently in the United States. The parties have 3 issues in between them who are adult with the young child being 22 years. It is the case of the Petitioner that the Respondent does not maintain the home, this causing the Petitioner to be thoroughly ordered. The Petitioner also plead that the Respondent has multiple sexual partners whom he has been having sex with and he has given sexually transmitted disease to her which she is undergoing treatment. The Petitioner says that because of these unreasonable behaviors of the Petitioner, she cannot be expected to live with Respondent, if the Respondent does not want to change. The Petitioner then pray for the dissolution of the marriage between the parties. On this day the court has had the opportunity to hear the attorney of the Respondent and he has also tendered the medical exam of the Petitioner as exhibit C indicating her health condition as well as the marriage certificate of the parties indicating the marriage of the parties. From the evidence, the court comes to the conclusion that the marriage has broken down beyond reconciliation. Therefore the marriage celebrated by the parties at life Gate Evangelistic Ministry Accra is hereby dissolved in favour of the Petitioner. No further orders. (SGD) H/H K. K.
