JUDGMENT

THE BAILIFF: 1. Miss Ahier we hope that you do understand, as your Counsel has said you do, that it is quite unacceptable to carry a knife in a public place for your defence, and indeed even worse to use it in the way in which you did. Ordinarily that kind of conduct attracts, as the Crown Advocate has said, substantial custodial sentences. 2. We have taken into account everything which has been said by counsel. We have read the reports upon you and we are glad to see that you are trying to get a grip of your heroin problem and that you are working to overcome that and to make something of your life. 3. We want to encourage you to do that and so we are going to grant the conclusions and we will place you on probation for a period of 12 months, and that Probation Order will have attached to it a condition of treatment for 12 months as has been explained to you. 4. I do have to warn you that if you do not comply with the probation requirements and do not make a success of the treatment that you have been ordered to undergo, it is possible that you will come back before this Court and you may be sentenced again for the offences which you have admitted. On that occasion the Court may very well consider a custodial sentence. We hope that does not happen and we want you to succeed, as we are sure you will if you put your mind to it. Authorities A.
