JUDGMENT

THE COMMISSIONER: 1. Mr Watts you have a deplorable record. It is quite clear that you have been a thorough nuisance for years, and it is well and truly time for you to grow up. Nonetheless, it is clear from the reports that we have that you are making some effort to reform your life. 2. We take into account references not only from Mr Hampton, but that from Captain Le Page and indeed the presence of the Dean in Court who has come to support you today. 3. On count 2, (that is driving under the influence of drink) we do not propose to fine you but you will be suspended for 14 months from the date you pleaded guilty to the charge (5 th September, last). 4. On counts 3 and 4 (the other driving offences) you will be fined £50 or 2 weeks' imprisonment on both those counts, you will have ten weeks to pay the fines, that is £10.00 a week. 5. On the last count the Court sentences you to 6 months' imprisonment, suspended for 12 months. You must realise that if there is any other offence the Court will reconsider the position and you may well go back to prison for the remaining part of the sentence.
