[2010] JLR 497 [New search] [Help] De Figueiredo v Att. Gen. 2010 JLR 497 (08 October 2010)
Extradition-extradition from Jersey-petition of doleance-interlocutory decision of trial
judge on petitioner's appeal against extradition order not suitable matter for petition of
doleance-very rarely appropriate for Superior Number to interfere on petition of doleance
with decision of trial judge in management of criminal proceedings-not remedy of last
resort as, if extradition ordered, interlocutory decision may be challenged on appeal to
Privy Council-also inappropriate as case management decisions depend on trial judge's
detailed knowledge of case The document you wish to view is available to registered users
