Its hearing was to commence on the 13th December
2021. On the material date, however, when the parties appeared before me, Ms Maria Patrick, learned advocate for the Plaintiff informed this Court that, the parties were Page 2 of 5 engaged in a possible out of court settlement negotiations. The submissions of Ms Patrick were supported by Mr Issa Mrindoko, learned advocate for the Defendants. In view of that, I granted an adjournment to afford the parties herein an ample time to discuss and reach

amicable solution to their dispute. I set the 23rd day of February 2022 as a date when the parties are to appear before me for necessary orders. On the 23rd of February 2022, Ms Patrick appeared for the Plaintiff while Mr'-Augustine/Rutakolezibwa, <x V> learned advocate appeared for the Defendants. Ms Patrick informed this Court that, the parties have had successful settlement discussions and that they were able to file a Deed of Settlement in this Court. She prayed that the filed deed of Settlement be recorded as forming the Judgment and Decree of this Court, a prayer which Mr. Rutakolezibwa supported. I have also gone through the said "Deed of Settlement". In law, a consent agreement which is frequently made under Order XXIII Rule 3 of the Civil Procedure Code, Cap.33 R.E 2019 is an agreement of the parties which is subject to the same principles of the law of contract. Page 3 of 5 According to Order XXIII rule 3 of the Civil Procedure Code, Cap.33 R.E 2019, the law requires that, the Court will have to be satisfied whether the agreement is lawful and compromises the suit Order XXIII Rule 3 provides as follows: "Where it is proved to the satisfaction of the court that a suit has been adjusted wholly or in part by any lawful agreement or compromise, or that the defendant satisfies the plaintiff in respect of the whole or any part of the subject matter of the suit, the court may order such compromise or satisfaction to be recorded, and shall pass a decree in accordance therewith so far as it relates to the suit." in the case of Motor Vessel Sepideh and Another vs Yusuf Mohamed Yussuf and two Others (Civil Application No.237 of 2013) (Unreported) it was the emphasis of the Court of Appeal of Tanzania that: "where there is a lawful agreement or compromise the court is bound to record a Page 4 of 5 settlement once it is arrived at by the parties." Looking at the Deed of Settlement filed in this Court on the 20th January 2022, and taking into account what the law requires me to do, I am satisfied as to its lawfulness and effect of settling the whole suit once and for all. In view of the above, the same is hereby recorded and declared to be forming part and parcel of this Consent Judgment of the Court, as well as its decree. The present suit is, therefore, marked settled at the instance of the parties' terms and conditions set out in their Deed of Settlement executed and filed in this Court on the 20th January 2022, and which forms part and parcel of this Consent Judgment. It is so ordered DATED AT DAR-ES-SALAAM ON THIS 25TH DAY OF FEBRUARY 2022 Page 5 of 5
